When it comes to today's technology, GSA is leading the way in the federal marketplace!

GSA is your worldwide link to a myriad of technology products and services including computers, software, telecommunications equipment, computer media supplies, electronic reference materials, communication equipment, information technology training and services, document management services, and much more.

In addition, GSA is making groundbreaking strides in e-commerce with **GSA *Advantage!***, the federal government's largest internet-based shopping service. **GSA *Advantage!*** has more than 2,200 vendors on-line and offers you choices from more than one million products.

Here's a preview of what's inside this edition of Marketips:

- Energy Efficient Products and Services Publication Coming Soon!
- **GSA *Advantage!*** News
- New Products Now Available on Federal Supply Schedule
- JWOD Community Rehabilitation Programs
- FAI teams up with the Procurement Executive Council to develop competencies for the acquisition professional of the future.
- FEDS, GSA's electronic system for recording, tracking, and controlling the nationwide inventory of Federal excess, surplus and exchange/sale property.
